

SCAVENGER HUNT

Nashville, MI Businesses
November 11-25, 2023

Scavenger Hunt runs November 11th - November 25th, please check normal business hours for each business if visiting in person as not all may be open every day. **Because of the diverse nature of our business partners, this hunt includes two methods of gathering answers - some you will have to visit in person and some online.** If a business offers both, only one method is needed to count. In person locations will display the designated Nashville Route 66 Business District Smiley Face Logo with a **secret word** which will be the answer you are looking for, online participants will have a bit of website **trivia** you will have to search for. Businesses do not have to be visited in order listed below.

Prizes: Five (5) \$50 Nashcash gift certificates! Nashcash can be used at any of the Nashville Route 66 Business District participating partners. Five (5) winners will be drawn at random. To be eligible for the drawing, fill out the form completely. Once you have completed your hunt, simply drop off your form at MOO-ville Creamery. Winners will be announced after the drawing. One entry per person.

Visit these business district partners **IN PERSON** to find the smiley face
